February 2017

Dear All-County Art Parent/Guardian,

On behalf of the Art Supervisors Association, we would like to extend our congratulations to you and your child as your child's artwork has been selected for the 2017 All-County Art Exhibit sponsored by the Art Supervisors Association.

The exhibit honors the most talented young visual artists in Nassau County and will be held at Farmingdale State College's Roosevelt Hall on Sunday, March 12, 2017 from noon to 4:00 pm. Select students from kindergarten through grade twelve have been chosen to participate in this prestigious event. Family and friends of our young artists are welcome to attend the exhibit anytime during the specified hours. Awards certificates will be distributed through the art administrator-liaison in your district several weeks after the exhibit. Additional information is attached for your convenience.

We appreciate your interest in, and support of, the visual arts. We are committed to advocating for your child's visual arts education and feel that this exhibit provides you with a unique opportunity to view the talents and accomplishments of a diverse group of students throughout our county. It is our hope that you will be able to join us at the exhibit to celebrate your child's achievements.

Very truly yours,

*The Executive Board of the
Art Supervisors Association*
