The Art Supervisors Association of Nassau County is proud to welcome students, parents, art educators, administrators, and community members to attend the 2018 Nassau All-County Art Exhibition, which will take place in Roosevelt Hall at Farmingdale State College on Sunday, March 25, 2018 from 12:00 – 4:00 pm. This exhibition, with no admission charge, will honor more than 1,200 Kindergarten through twelfth grade students who have demonstrated excellence in a wide variety of two-dimensional visual art forms including drawing, painting, printmaking, computer graphics, and photography. Student entries are selected by art educators and are limited to a maximum of 3 pieces of artwork from each teacher. This year, over 400 art educators from more than 200 schools in 50 Nassau County school districts, will submit student artwork for this prestigious exhibit.

The Art Supervisors Association is honored to provide this venue that gives our community the opportunity to appreciate the creativity, imagination, and skill that is produced by a fundamental, innovative, and vibrant K-12 sequential visual arts education.

One of the ASA goals is to nurture young artists and for the tenth consecutive year, ASA is pleased to present scholarships to one outstanding graduating senior from every member high school in a special Scholarship Awards Ceremony. The ceremony will begin at 11 a.m. immediately preceding the noon opening of the exhibit.
